

WOODLINE CABINS

The Woodline log cabins are entirely made of gray wood inside and out.

They have a large vintage mirror, interior and exterior light, ventilation grille, vertical sink with foot button, soap dispenser, paper towel dispenser, bag hanger, toilet paper dispenser and toilet with foot button. Large integrated bin. Necessary electricity supply by the customer.

Possibility of disassembling them for accesses or complicated assemblies. Consult with our commercial department.

Measurements: 160 cm wide x 140 cm deep x 252 cm high
