

FEATURES

- Wood-coloured exterior. Black and white lacquered interior. Porcelain sink, toilet and urinals.
- Air conditioning and electric hand dryer in both compartments.
- These toilets are divided into ladies' and men's areas, conveniently indicated: Ladies' area: 3 toilets + 2 sinks. Men's area: 3 urinals + 1 toilet + 2 sinks.
- A single-phase 16-amp power supply and a nearby water point are sufficient for the installation of the bathrooms. (supplies at the customer's expense)
- They do not require a connection, they have water tanks on the same trailer. For long-term events, we have the same model available in a format connected to the sanitation network.

Measurements: Trailer: 600 cm long + 110 cm wide x 230 cm wide (once installed, leave 1 m in front to install stairs) x 320 cm high.
