

CHARACTERISTICS

The trailers Texas of Look & Loo are indicated principally for events in exteriors, though they can establish also in interior spaces if the dimensions of access allow it.

They are decorated in wood and white lacquer. The washbasin, wc and urinary are made in porcelain. Faucets, wastebaskets and briefcase in chrome. Air conditioning included in both compartments

These sanitariums are divided in ladies and gentlemen zones, suitably indicated. Ladies zone: 3 wc + 2 wash basins. Gentlemen zone: 3 urinary ones + 1 wc + 2 washbasins.

An electrical single-phase supply of 16 amperes and a nearby point of water are sufficient for the installation of the baths.

They do not need connection, since the trailer has water tanks included.

Measures:

- Trailer: 610 + 100 x 230 x 290 cm.
